Purchases will be charged to your student account and a bill sent.

Eagle Number

Your Eagle Number is the last 8-digits to the left of your picture on the Eagle-One Card. Keep your Eagle Number easily accessible since it allows you to access your records on *U-View*, and it is often requested by the University as a form of identification.

E-Mail

E-mail accounts are automatically created for all full-time undergraduates and all graduate students. The Office of Student Services uses E-mail as their preferred means of contacting students.

To view your E-mail address, log on to AGORA at agora.bc.edu. You will need your username and PIN to access your account. Select *U-View* from the pull down menu and click on E-mail address. Your E-mail address will be displayed. From this screen you may also forward your BC account to another E-mail account.

The address of the mail server for all graduate students entering in the fall of 2001 is mail4@bc.edu. This change does not effect graduate students who currently have BC E-mail accounts.

Parking Notice: As of the fall 2001 semester, the University will no longer issue commuter permits to undergraduate students living off-campus on public transportation lines. This policy change was necessitated by the severe parking shortages the University experienced this past year and will effect all students residing in Allston, Boston, Brighton, Brookline, and Chestnut Hill.

Registration Procedures

Graduate Students

The fall 2001 registration and drop/add period for graduate students will continue through September 10 at 11:00 P.M.

Graduate students in GSA&S, CGSOM, LSOE, GSON, and GSSW who register before August 15, 2001, will have their registration fee waived. This waiver only applies to those students who complete their registration by August 15. Students who add courses after August 15 will be subject to the \$15 registration fee.

Students registered for Doctoral Continuation in the spring will be registered for the fall unless they graduate in May or are enrolled in programs that require departmental permission. Those students whose departments require permission need to obtain a departmental override. Graduate students using Lynch School of Education teaching vouchers should see Patricia O’Kane in the Graduate Admissions Office.

Special Students who have not applied to a degree program or who have applied but have not yet been accepted and wish to take graduate level courses must apply as special students to the appropriate graduate school. This policy also applies to students who wish to take graduate level courses using teaching vouchers and have not applied or been accepted into a graduate school at Boston College. Those who have previously taken courses using vouchers should contact the Admission Offices to be readmitted.

Undergraduate Students

The fall 2001 registration and drop/add period for undergraduates will continue through 11:00 P.M. on September 10, 2001.

Graduate and undergraduate students register and drop/add using either the *U-View Plus* system—available from any computer terminal or micro-computer with a network (EagleNet) connection or with a dialup (modem) connection to BC’s administrative mainframe computer—or the *U-Dial*/voice-response system. *U-Dial* can be accessed from a touch-tone telephone by dialing 617-552-8800. The registration systems will be available seven days a week (with exceptions) until 11:00 P.M. through September 10.

All students may drop/add any time after they have registered. The appropriate department/dean’s office must approve drop/adds after September 10.

Registration Information

Course Descriptions

Access the Office of Student Services’ web site for course descriptions at the following address: <http://www.bc.edu/courses>. Use the Schedule of Courses on the Web to determine the index, section numbers, and the meeting time of each course. You may also browse courses on *U-View Plus* by using the “C” option, which will access both fall and spring semester courses, or search for courses by instructor name, by course title, and by open courses (not closed or canceled). The Office of Student Services has created a search feature called **Search BC Courses** on its web site at www.bc.edu/studentservices. **Search BC Courses** features a pull down menu for course descriptions including those that satisfy University Core requirements.

Course Restrictions/Closed Courses

An asterisk (*) next to a course indicates a restriction. The specific restriction is printed underneath the course. Courses may be restricted by school (e.g., For Education Only), by degree (e.g., For Doctoral Students Only), or by major (e.g., For Economics Majors Only). The department may hold other courses, or sections of courses, so that they are unavailable during certain periods of registration. Some courses (including all graduate courses) may be available to undergraduates with department permission only. Note: If you are planning to change your major, be sure to check the **General Information** section for instructions.

Overrides

In exceptional cases, a department may decide to override a course restriction. If you wish to obtain an override for a course that was closed or restricted when you registered, see the department offering the course. If the department chairperson or assistant decides to allow you to register for the course, he or she will give you an *Approval/Override* form or process the override in the department. The form must be stamped in the appropriate section: *Open/Restricted* overrides school, major, degree and department restrictions; *Override for a Closed Course* overrides all restrictions and size limits for closed courses. In rare cases you may need to obtain permission to override a corequisite or to register for two courses that conflict in time. In those cases the *Approval for Time Conflict* must be signed.

If you obtain an override for a restricted or closed course take the form to Lyons Hall after you have registered. You cannot process overrides through *U-Dial* or *U-View Plus*.

Students in A&S, CSOM, and SON, who maintain a 3.00 GPA, may add a sixth course on-line (up to 20 credits) during the first week of classes.

Registration Holds

If you have an outstanding balance on your student account, are missing a transcript from a university you attended previously, or have failed to submit proof of immunization to the Health Services Office, a hold may be placed on your registration. If a registration hold message appears on the screen, you must see the appropriate office to resolve the situation before you can register.

Immunization Requirement

Both graduate and undergraduate students registering at the credit levels listed below are required to comply with Massachusetts General Laws (the College Immunization Law):

College of Arts and Sciences	9 credits
Carroll School of Management	12 credits
College of Advancing Studies	12 credits
School of Nursing	9 credits
Lynch School of Education	9 credits
School of Social Work	18 credits
Law School	12 credits

The College Immunization Law requires proof of the following immunizations:

- 1 Tetanus-Diphtheria Booster: Within the past 10 years
- 2 Measles Immunizations: Dose 1 must be after the first birthday: Dose 2 must be at least one month after the 1st dose
- 1 Mumps Immunization: Immunized with vaccine after the first birthday
- 1 Rubella Immunization: Immunized with vaccine after the first birthday

Effective September 2001 all full-time freshmen must show proof of having received 3 doses of the hepatitis B vaccine.

If proof of immunization for measles, mumps, and/or rubella is not available, a blood Titer showing immunity will be accepted.

Students who fail to provide proof of immunization by October 4, 2001, will be charged a \$50.00 administrative processing fee that will be reflected on their October bill. The only exceptions permitted are conflicts with personal religious belief or documentation by a physician that immunizations should not be given due to pre-existing medical problems.

Massachusetts Medical Insurance

Commonwealth of Massachusetts Law has mandated that all students, graduate and undergraduate, taking at least 75 percent of full-time credit hours must be covered by medical insurance providing a specified minimum coverage. Determination of whether or not a graduate student is required to enroll in the insurance program is based strictly on the actual number of credits for which the student is registered each semester.

Listed below are the 75 percent of full time hours for the graduate schools.

- GSSW students who register for 12 or more credits
- CGSOM and CAS students who register for 9 or more credits.
- GSA&S, GSON, LGSOE who register for 7 or more credits.

Please note: All doctoral students as well as all international students at Boston College will automatically be charged for the Boston College Medical Insurance unless a waiver is submitted showing comparable insurance. International students may not waive the BC insurance plan themselves. They must contact the Intercultural Office at 617-552-8005 if they wish to waive the insurance.

Boston College will offer all students—graduate and undergraduate—the option of participating in the plan offered at the University or of submitting a waiver. The details of the University’s Insurance plan are available on the *U-View* system or on the web at <http://agora.bc.edu>.

Students may waive the BC insurance plan by completing the electronic waiver form on *U-View* or on the web. Students under the age of 18 are required to submit a written waiver form with the signature of their parent/guardian. This form is available for download at [www.bc.edu/ studentservices](http://www.bc.edu/studentservices). **The waiver must be completed and submitted by October 12, 2001, for fall semester.** Students who do not complete a waiver by the due date will be enrolled and billed for the BC plan.

All part-time bachelor and master’s students, including those registered for Master’s Interim Study, who wish to purchase health insurance

must enroll directly with the insurance company. The part-time enrollment form is available at the Boston College Health Services department in Cushing Hall, at Walter W. Sussenguth and Associates, or on the Web at www.bc.edu/studentservices. The coverage becomes effective upon receipt of the application and payment by the insurer if received after the due date above.

These restrictions include denied access to Housing and the Athletic Complex, use of the Meal Plan, the ability to drop and add courses, and to cash checks at the Cashier’s Office. In severe cases, students will be withdrawn from the University. In addition, a \$100 late payment fee will be assessed on any account that is not resolved by the due date. There will be absolutely no registration or confirmation of registration allowed after October 26, 2001.

All students are limited to one CAS course each semester. Students in the College of Arts and Sciences may not take courses on Saturday. Freshman may not enroll in any CAS course.

Before selecting a course, take note of the course restrictions posted on the list. CAS courses can be used to fulfill elective requirements. Check with the appropriate department if you intend to use a CAS course to fulfill a Core or major requirement. Descriptions for College of Advancing Studies courses are available in Lyons Hall.

Requesting Advisor Changes

Students in the College of Arts and Sciences who want to request a change of advisor may obtain the forms in the Associate Dean’s Office, Gasson 109. Diploma Names

All graduate and undergraduate students who plan to graduate in May 2002 should sign-up on-line at **<http://agora.bc.edu>** by February 15, 2002. Select “View/Edit Diploma Name” from your AGORA services menu. Your name will appear as it is listed on the University’s student system. You may keep your name as it is or enter new information. After February 15, 2002, Student Services will download the names of the May 2002 graduates for their diplomas and for the Commencement Book.

Mailing Address Update

Undergraduate and graduate students can change their local, home, or parents’ addresses and telephone numbers on-line at **<http://agora.bc.edu>**. Be sure to update your local address for next semester to insure that you receive important mailings concerning registration, graduation, grades, and housing. The Dean of Students needs your local address in case of emergencies.

Because of the increasing number of students who need to have grades sent to more than one address, a second address file for grades has been established. To have grades mailed to more than one address, please notify Student Services by mail or in person. The request must include your name, Eagle Number, school, second address, and signature. Your name and second address will be placed on file and grades mailed to both your home and second address each semester until you graduate.

Loan Certification

The National Student Clearinghouse will process deferment forms after September 10 for fall 2001 in accordance with Federal regulations. If you need an enrollment certification for deferment of a student loan, mail or fax the forms to the following address: Office of Student Services, Lyons Hall, Chestnut Hill, MA 02467 or stop by Lyons 103. Your deferment form will be forwarded to the National Student Clearinghouse. If the enrollment certification does not require an official school seal or signature, you may process the certification on-line at **<http://agora.bc.edu>**.

If you register for Interim Study, Thesis Direction, Doctoral Continuation, Doctoral Comprehensives, a full-time Student Teaching Practica, or Internship, you are considered a full-time student. If you are a Graduate Assistant for an academic department, a Teaching Assistant, Teaching Fel-

low, Research Assistant, or University Fellow, you may be considered full-time with less than the normal full-time credit load. This full-time category applies only to loans and is not considered full-time status for automatic medical insurance enrollment. Students in this category are required to fill out a part-time medical insurance form.

This course provides an introduction to the history of Europe between the Renaissance and the French Revolution. Many of the momentous changes that transformed Europe during this time arose from how European monarchs, philosophers, scientists, artists, clergymen, mer-

chants, farmers, and even peasants responded to their increasing contact with the peoples, products, cultures, and ideas from Asia, the Middle East, Africa, and the New World. Satisfies Literature Core Requirement

We will read and interpret a wide variety of literary texts asking questions as we go about literary genre and form: What special pressures are exerted upon language in poetry? What are some of the possible modes of narrative telling? How does watching a play heighten issues of time and space? How does reading a memoir or piece of “creative non-fiction” raise provocative questions about “truthfulness”? In our class discussions of the readings, and in their essays, students will learn a vocabulary for critical discourse and gain practice developing their insights through literary analysis.

What is more troubling—to think that there is nothing to govern the chaos of our lives— or that there is a possibly unsympathetic order at work? In this class we will consider “designs” large and small, from the beauty and precision of the sestina form to Iago’s deadly schemes. Our readings will span from the ancient Greeks (Sophocles) to the contemporary (Borges/ O’Connor) and across genres: fiction, drama and poetry. Our houses define us as they tap into issues of identity, security, freedom, and our sense of belonging in the world outside. The following texts understand this. We will read about a range of “houses and gardens,” and their symbolic projections of self, as well as the evolving social meanings of home and property. In the works of Austen, Cisneros, Chekhov, Dubus III, Forster, Shakespeare, and Wharton, we will read about the human

efforts to obtain, maintain, and/or grow within an ownership of place. These works will give us an opportunity to discuss this theme and introduce others as we enjoy the fundamentals of great literature.

EN 082.08 Literature and Society: Literature and the Making of Identity (Fall: 3)

Satisfies Literature Core Requirement

Am I Somebody? In this course, we will investigate how men and women have formed their identities—both as individuals and as a collective group. We will consider how social stereotypes have shaped our conception of “normal” gender stereotypes, and question if these “norms” have also caused social deviancy. Through the representations of a diverse array of identities in an assortment of “texts,” including novels, short stories, drama, film, and music, we will explore how such social forces as race, class, gender, religion, sexuality, ethnicity, and politics have shaped and allowed men and women to shape the boundaries of their identities. Together we will contextualize the assigned texts within Irish and American historical and cultural events to read, analyze, discuss, and write about how these forces have been important in both shaping men’s and women’s lives, as well as society’s idea(s) of them.

Diane Hotten-Somers

EN 010 First Year Writing Seminar (Fall/Spring: 3)

The First Year Writing Seminar is a fifteen-student course designed to engage students with writing as a source of learning and a form of communication. Designed as a workshop in which each student develops a portfolio of personal and academic writing, the seminar follows a semester-long process. Students write and rewrite essays continuously, discuss their works-in-progress in class, and receive feedback during individual and small group conferences with the instructor. In connection with their writing, students read a wide range of texts, including various forms of non-fiction prose. In addition to regular conferences, the class meets two hours per week to discuss the writing process, the relationship between reading and writing, conventional and innovative ways of doing research, and evolving drafts of class members.

Communication

CO 350 Research Methods (Fall: 3)

Research methods are often considered “tools” for creating knowledge. This course will equip students with a veritable toolbox of methods for researching the mass media and their audiences. We will look at how researchers have answered such questions as: How are people affected by mass media? What/who appears most frequently in the mass media? And, how do people make sense of the media messages they consume? Both quantitative (content analysis, surveys, experiments) and qualitative methods (interviews, focus groups, textual analysis) will be explored. Additionally, the class will provide students with hands-on experience in conducting media research.

Susannah Stern

CO 456 Relational Communication (Fall: 3)

We will explore the current relational communication literature following the basic model of initiation, maintenance, and deterioration. An emphasis is placed on identifying and understanding problematic situations and patterns in personal relationships.

Pamela Lannutti

CO 458 Radio in Culture and Society (Fall: 3)

This course is a writing intensive-seminar.

The course will examine the way in which the audio medium has operated and conducted itself concerning the fair and just treatment of all social groups at a time when cultural diversity and multiculturalism are issues of great importance to us. How these groups have employed the medium will constitute another area of study in this course.

CO 478 Producing Documentaries (Fall: 3)

This course is an advanced course for learning and practicing the role of a producer in planning, making, and transmitting television/video documentaries. In addition to studying the role of a producer, students will develop skills to handle the practical requirements of the production process. Accordingly, each student will co-produce one or more documentaries, working with a production crew made up of class members and the Channel 46 staff, named by the teacher. Student crew assignments will be decided after consultation with the Channel 46 staff and assessment by the teacher according to each student's background, experience, progress during the semester, and personal interest. The producing skills learned during the semester include performing, managing and leading documentary crews in the following phases of the production process: long-term and immediate preparation (e.g., budgeting, scheduling, scripting, requisitioning, staff meetings), shooting and videotaping on location (indoors/outdoors, crewing, on-camera performance), post-production (editing), and transmitting the program (on Channel 46). A particular objective of the course is that the key roles of production team members and various production methods are learned by actually making documentaries.

UN 504 Capstone: Choice and Consequence in Technology and Society: Defining a Successful Life in the 21st Century (Fall: 3)

The 21st century is surely to be an era of continuing burgeoning developments in technology. Our task is to discover how best to cope with the changes it brings in a practical, sensitive, and responsible fashion and to be aware of the inevitable unexpected consequences of technological innovations. We also must make morally and ethically sound judgments regarding the extended effect of technology on society, and we must not fail to remember our obligation to posterity. In this seminar course we will examine the influence of technological innovations on our lives from the defining decade of the 30’s to today. We will consider how it has affected our current moral and ethical positions. Then we will look to the future as we enter an era of startling developments in genetics, nanotechnology, information processing, and communication.

UN 540 (TH 415) Capstone: In Our Own Voices: Journals and Autobiography as Resources for Life (Fall: 3)

In describing the life cycle, Eric Erikson proposes that the work of the ongoing process of identity formation is primarily about addressing two core questions: What have I got and what am I going to do with it? Keeping with the overall focus of the Capstone Program, this course provides participants with the opportunity to examine the complexity of these two deceptively simple questions through the genres of journal and autobiography. As both readers and writers of journals and autobiographies, participants in this seminar bring three elements into dialogue: the insights of others in the published journals; their own writing and conversations; and some foundational models for understanding personal and spiritual development.

Final Exam Information

All courses have a scheduled exam time determined by the starting time of the course. This listing shows standard class meeting time exam assignments for undergraduate courses. In general, common exams are held at 4 pm. If a course does not fit exactly into a module, it assumes the module corresponding to the closest class meeting time. For example, a class meeting T TH 11 is assigned module 10 (T TH 10:30*). In situations where the non-standard time falls **halfway** between two modules, use the module for the later time. For example, a class meeting M W F 9:30 is assigned module 03 (M W F 10).

All graduate courses meeting **once a week** and undergraduate courses that start at 4:00 pm or later and meet **once a week** will have final exams on the first regular class day that occurs during the exam week. All graduate courses meeting **more than once a week** and undergraduate courses that start at 4:00 pm or later and meet **more than once a week** will have final exams on the class day that is earliest in the calendar week. For example, the final exam for a T TH 4pm class would be held Tuesday at 4pm. Exams will be held at the usual class meeting time and location unless otherwise posted on the exam schedule.

The meeting place for each exam will be posted in Lyons basement one week prior to the exam period. Exam information is also available on *U-View*.

If there is a storm during the examination period, there is the expectation that exams will be held as scheduled. In the very rare instance that the exam schedule is delayed or postponed due to inclement weather or other emergency situations, the first available of the following days will be used: The Sunday during the exam week, the afternoon of the last exam day, and the day after the last exam day. If rescheduling is necessary, announcements will be made on WBZ, WRKO, and WBMX, and on the Boston College INFO line (552-4636). **For graduate and professional students, announcements concerning final exams will be made on the same radio stations and on 552-INFO. Students are responsible for attending final exams at the scheduled times. In addition, students should consider possible exam rescheduling when making travel plans at the end of the semester.**

Students are expected to take no more than two final exams in any one day. If a student has three exams scheduled in one day and one of these is a common exam, it is the responsibility of the instructor holding the common exam to give a make-up exam. If a student has three regularly scheduled exams (this can happen if the student is taking a course that meets at 4:00 pm or later), the instructor teaching the course outside of the standard time blocks (8 am-3 pm) should provide a make-up exam. In addition, if a student has a conflict between a common exam and a regularly scheduled late afternoon or evening course exam, the responsibility for a make-up lies with the instructor offering the common exam.

Schedule of Courses—Fall Semester 2001

Explanation of Course Numbers

The Boston College Course Number consists of seven characters. The first two characters (alphabetic prefix, e.g., “MA”) indicate the department or program offering the course; the last two characters indicate the section number. The middle three characters indicate the level of the course. When listing courses the entire seven-character symbol must be used as well as the four digit INDEX number which appears to the left of the course. For example: 9999 MA333.01.

Although all modern history courses cover a common list of topics, they otherwise vary significantly. Students are very strongly advised to read the course description in the catalog or on the web pages before they enroll in a particular core course.

University Courses and Capstone

No student may take more than one Capstone seminar during his/her undergraduate years. Thus, you may not take two Capstone courses in one semester or two different semesters. This is true whether the course is listed under UN numbers, or as a course in a specific department. If a second Capstone course appears on your record, it will be removed. This could make you ineligible for graduation.

U-View via Modem

Modem Setup

- In your communications package, set your modem speed to the speed rated for your modem. The other settings remain the same: 8 bits, no parity, hardware handshake or flow control. Error correction should be turned off.

Logging On

- Use your communications software (Mac Terminal, ZTerm, Reflection, ProComm, YTerm, e.g.) to dial the modem pool number: 1 617 552 2790. Use SPACES to separate the numbers!
- When asked for a host name, enter **BCVMCMS.BC.EDU**.
- Press <RETURN>. On the blank line under **Please enter a terminal id;** prompt, type 1 for VT100, unless you know that your machine is otherwise.
- The BC screen will appear. Type your username on the **Enter your Username, Eagle Number...**: prompt and press <RETURN>. (You can use any of the listed options.)
- Tab once and type your PIN (Personal Identification Number) on the **Enter Your PIN Number:** prompt and press <RETURN>.
- You are now at the APPLICATION MENU screen of UIS. Select the application you wish to use (e.g., UIS, QUEST) and type its corresponding number on the **SELECTION=>** prompt and press <RETURN>. (For *U-View*, type **1** for the UIS system.)
- You are now at the System menu for UIS. Your options will vary. Type the number for *U-View* (or other service) on the **ENTER SELECTION** line and press <RETURN>.

Logging Off

- If you are using UIS mail, return to its main menu. Type **L** on the **ENTER YOUR CHOICE** line and press <RETURN>.
If you are using *U-Buy*, return to its main menu. Type **L** on the **TYPE SELECTION HERE...** line and press <RETURN>.
If you are using *U-View*, return to its main menu. Type **L** on the **TYPE SELECTION HERE...** line and press <RETURN>.
- The APPLICATION MENU screen will appear. Type **L** on the **SELECTION=>** line and press <RETURN>.
- You are now at the BC screen. Type Y on the Enter “Y” to disconnect: prompt and press <RETURN>.
- At the **Type “C” Servername>** prompt, type log to disconnect.
“C” option on *U-View Plus* (View Courses) can now access both fall and spring courses.

U-View Plus

Instructions are posted in the Student Learning and Support Center and in O’Neill 248.

U-Dial

- Call the Boston College Voice Response Unit:
617-552-8800
If you are calling outside the 617 area code, be sure to dial 1 + 617 before 552-8800.
- Enter your **Eagle Number** or your **social security number** upon request.
- Enter your 5-digit **personal information number (PIN)**.
- Once you have accessed the voice response unit, the tape will list the main menu of transactions. (Review the selections below to be sure you understand the differences between transactions.) The system will then request that you choose a transaction by pressing one of the following:
TO ADD A COURSE: If you wish to **add** a course, press **1** when prompted to do so. Then follow the instructions at each prompt until the add transaction is completed.
TO DROP A COURSE: If you wish to **drop** a course, press **2** when prompted to do so. Then follow the instructions at each prompt until the drop transaction is completed.
TO ADD AND DROP A COURSE: If you wish to **drop** one course and then **add** one course, press **3** when prompted to do so and follow the instructions at each prompt until the drop/add transaction is completed. This transaction will *not* complete the drop *unless* you successfully add one course in its place; therefore, you shouldn’t worry when the drop transaction appears not to have gone through. This transaction should be used if you are changing the corequisite for a course (a lab or a discussion group).
TO CHECK THE STATUS OF A COURSE: If you wish to check quickly to see if a particular course is **open**, press **4** when prompted to do so. Then follow the instructions to check the status of the course.
TO LIST COURSES: Press **5** to hear the courses you are currently registered for or to confirm your transaction(s).
TO END CALL: Press **9** to disconnect from the Voice Response Unit. Be sure to listen carefully to instructions as you proceed with any transaction. **If you make a mistake at any time, press * to start over.**

Once you are familiar with the system, you can bypass the recorded message by entering the information requested at the beginning of the prompt.

Problems/Error Messages

You may encounter a problem or receive an error message while using the voice response unit. The most probable messages/problems and solutions are listed as follows.

Problem/Message	Probable Solution
-----------------	-------------------

- | | |
|--|---|
| 1. Can’t access system | Use a touch-tone phone not a rotary phone, or try from another phone. Your phone may be malfunctioning. |
| 2. System not available | You are calling outside the hours 8:00 A.M. to 11:00 P.M. seven days a week. Please call during <i>U-Dial</i> hours. OR the system is experiencing unscheduled downtime. Please call back in 15 minutes. |
| 3. Busy Signal | The system’s incoming telephone lines are all in use. Try again later. |
| 4. System does not answer | The Voice Response Unit is not functioning. Try again later. |
| 5. Wrong ID | Check to make sure that you are inputting your Eagle or social security number correctly. |
| 6. Wrong PIN | Check to make sure that you are inputting your PIN correctly. |
| 7. Wrong index numbers | Check to make sure that you are inputting the correct 4-digit index number, not the course number (e.g., 9999 rather than EN999.09). Refer to the <i>Schedule of Courses</i> for index numbers. |
| 8. Time Conflict message | Check the <i>Schedule of Courses</i> or the Course Status List available on <i>U-View Plus</i> . If there is still a problem, there may have been a time change. What is on the computer is correct since it is the most up-to-date. |
| 9. The course you want is <ul style="list-style-type: none">• a sixth course• restricted to a major or school• closed or requires department | Students in A&S, CSOM, and SON who maintain a 3.00 GPA, may add a sixth course on-line (up to 20 credits) during the first week of classes.

You must get the appropriate departmental approval to be allowed to override these restrictions.

For all these restrictions, see the department. If they issue an override, obtain the necessary stamp(s) and/or signature(s) and bring the approved form to Lyons 103 by 4:30 P.M. on September 10. |

If the above does not resolve your problem, or if you have a difficult problem, call 617-552-3300 during business hours, Monday-Friday 8:45 A.M. to 4:45 P.M.

Connecting To UIS via an Eaglenet Connection

TN3270 on the IBM

TN3270 is a software tool that allows your networked IBM to establish ‘terminal sessions’ with IBM mainframe computers such as the Boston College UIS System or the QUEST system in order to access *U-View* or Quest.

Starting TN3270

Double-click on the TN3270 icon. It is located in the **PC/TCP Applications** window located in your Program Manager.

Logging on to UIS

- Once you have double-clicked on the TN3270 icon, you will see the **Open** dialog. If this is your first time using this program, the **Sessions Available:** box will be blank.
- NOTE: The programs TNVT and TN3270 use the same dialogs, so if you save a session in TNVT and then open TN3270, you will see it in the Sessions Available box as well.**
- Click** on the **Cancel** button. You will now see a blank screen. **Choose** *New...* from the **Session** menu at the top of your screen.
- You will now see the **New** dialog. Type **bcvmcms.bc.edu** in the **Host Name or IP Address:** box and click on the Connect button.
- You will see a message, *Trying to connect to bcvmcms.bc.edu* then *Entering 3270 mode* in the lower left corner of your screen. The BC screen will now appear. Follow the on-screen instructions.

If you do not know your username, consult your *Communications Directory*.
